If you are interested in **CDL, NCCCO, OSHA 10 or OSHA 30**, these classes will be scheduled when there is enough interest or need. Please call Training Director, Russell Amato, or Site Coordinator, Steve Rogers, at 401-934-0360 Mon-Fri 7am-3:30pm if interested.

All **Massachusetts Continuing Education** certification classes are suspended. Classes will resume if the State of Massachusetts recertifies Local 57 Apprenticeship and Skill Improvement for MA Continuing Education instruction. Until then, courses are available online through multiple vendors. We will update you as soon as more information becomes available.
